> EXPERIENCE

Bravo Media - *Intern*
MAY 2016 - PRESENT
- Program and design for various interactive and mobile experiences

Unicorn Foundry - *Co Founder*
OCTOBER 2015 - PRESENT
- Founded and manage mentors, partners, tutoring services, and brand

Camp Acorn - *Volunteer*
JULY 2011 - PRESENT
- Worked to assist disabled adults and children in a variety of activities

Electrove - *Co Founder and CTO*
JUNE 2015 - NOVEMBER 2015
- Worked to prototype and market Electrove, a phone-to-phone charger
- Startup failed due to diverse team location, but was excellent learning opportunity

Bergen County Academies - *Virtual Reality Intern*
JUNE 2014 - AUGUST 2014
- Developed virtual reality applications for National Park Service
- Prepared a virtual reality curriculum for Bergen County Academies

> EDUCATION

Bergen County Academies
Academy for Engineering Design Technology
SEPTEMBER 2013 - PRESENT
- GPA: 3.93
- Core Coursework: LADE, Data Structures, AP Physics C, IB Literature and Language HL, IB History of the Americas HL
- Related Coursework: AP Calculus AB, AP Computer Science, Advanced Interactive Design, Computer Integrated Manufacturing, Electrical Engineering, Principles of Engineering, Introduction to Engineering Design I & II, Introduction to Electronics, Advanced Chemistry, Advanced Biology (all classes honors)

MIT Launch
JULY 2015 - AUGUST 2015
- Summer entrepreneurship program at MIT, founded Electrove

> SKILLS

Programming
Advanced - Java · C# · HTML/CSS/JS · Unity3D SDK · Python · Ionic
Proficient - C++ · .NET · Arduino SDK · OpenCV · Angular
Beginner - Swift · Objective C · PHP · Android SDK

Software
Git · Unity3D · Autodesk Inventor · AutoCAD · Xcode · Brackets · Eclipse Arduino · Adobe Photoshop · Microsoft Suite · Slack · FileZilla · Terminal

Hardware
Electronics · Breadboarding · Soldering · Arduino · Woodworking Laser Cutting · 3D Printing · Computer Numerical Control Milling

> EXTRACURRICULARS

Bergen Tech Baseball
JANUARY 2013 - PRESENT

Entrepreneurship Club - *Founder*
SEPTEMBER 2015 - PRESENT

National Honor Society - *Board Member*
SEPTEMBER 2015 - PRESENT

MIT Launch Mentor
OCTOBER 2015 - PRESENT
- Mentor high schoolers on their MIT Launch Club companies

Serial Hackathon Hacker
MARCH 2013 - PRESENT
- Ten hackathons attended

> PROJECTS

Ink - self-written programming language
DECEMBER 2015 - PRESENT
⌨ /tim-lupo/Ink

Crowd Participation - application for 1,000+ person computer interaction
SEPTEMBER 2014 - DECEMBER 2014
⌨ /tim-lupo/Crowd-Participation

Gooth - published game for iOS/Android
APRIL 2015 - JULY 2015
⌨ /tim-lupo/Gooth

Handi-hacked - wheelchair accessible computational input device for VR
JANUARY 2015
⌨ /raphaelrk/CatDaddy
